

## RALLY IN THE VALLEY

*“CATCH THE CRUSH”* — The October Club Rally hosted by Mike & Pat Alonzo and Al & Eleanor Roeske at Wine Country RV Park. A very nice park in Prosser, Washington.

Arriving at the park found a good mixture of coaches (18 in all) taking up the two front rows.

Thursday the start of the rally was a little misty, but everyone seemed to overcome that. With a great potluck dinner that night followed with a roundtable for the guys discussing Detroit’s and the importance of good wire connections.

Friday we were invited to tour a legal marijuana grow farm thanks to our president, Gary. This was the last thing I ever expected to do at a bus rally, but it was very interesting. Before we knew it dinnertime came again. This evening the women, and a few of the men, took over the hall for their “left, right, center” dice game.

Saturday rolled around and most people did their own thing visiting many wineries for tasting, grape stomping event, and antique store shopping, or just went exploring. By then it was dinnertime again. After cleanup the dice game continued.

The president complimented the new members for stepping up with their help with the dinners.

Sunday brought 6:30 am coffee and donuts for any early departures. As everybody said their safe journeys and goodbyes.

***GREAT RALLY!!!!***
