## Atmosphere Galore!

**Definition of Camaraderie:** Mutual trust and friendship among people who spend a lot of time together. **Definition of Comradeship:** The company and friendship of others with Common aims.

I welcome you to use the definition or word that describes best what we shared on Saturday, July 20, 2019 with fellow members.

What a beautiful day, sunny with a slight breeze, a comfortable ride aboard a 1990 Sternwheeler, with the splash of the Willamette River gently rippling against the bow where a nice buffet was arranged. It was like our normal rally dinners - plenty of food. We weren't even close to running low. We were served baron of beef, pork loin, chicken Marsala, spaghetti, and salad. Coffee and soft drinks came with our meals. There was a bar if someone wanted a little stronger drink. Such a great atmosphere!!

Captain Richard offered anyone to come to the helm and take command of the "Willamette Queen. Sheriff Barb was at the wheel for nearly 30 minutes with no incidents. Good job, but I can hardly get her to drive the bus!

A special thanks to AL Roeske for arranging an evening of a great time to share with 31 of our members. This was a completely different venue, but it was received very well.

We have our August rally closing in on us fast. The deadline for registration is August 9, 2019. Please get on your phone and call. We have had a lot of fun rallies at the Polk County Fairgrounds in Rickreall, Oregon.

September 19-22, 2019 is the next rally to be held in Junction City, Oregon at the Guaranty R.V. Travel Center and RV Park. We only have 18 sites and the registration deadline is August 12<sup>th</sup>. Please call the park at (541) 998-7000 to book your stay. Our special rate is \$40.02 per night. Mail forms to Al Roeske with your check. The rally, minus parking is only \$35.00 for two. If you have questions call Al at (541) 954-0676.

Our 2020 rally schedule is set. We need volunteers and hosts. Please contact me (503) 816-5782 or Al at (541) 954-0676 or John at (360) 253-1526.

Thanks in advance for your help in keeping a strong membership in the NWBNs.

Until next time,  
President Gary

News from Moses Lake, Washington:

Mick has finished another Pontoon work of art; The Statue of Liberty on Liberty Island. It even floats! It sits about 38 feet high when in the lake. She comes loaded with patriotic songs at high volume, reaching houses along the lake for over a mile. It made the Spokane news channel, and the iFiberOne local news has had over 800,000 views at this time! As some of you know, Mick doesn't do anything in a small way. This one will lead our first annual boat parade on August 31<sup>st</sup> of Labor Day weekend
