

# NORTHWESTERN BUS NUTS

April 2021

## About Time!!

It's been a long time coming, but I think the time has come that we can meet together as a group, and feel comfortable in being safe from exposure to "Covid-19". Our government officials say stay safe and still practice safe distancing, wear masks and all protocols required by applicable government bodies. I am still going to wash my hands.

The NWBNs are going to attend "The Spirit of Wyoming" in Gillette, Wyoming that's being held on July 7 – 10, 2021. Find your registration on page 43 of your April 2021 Family RVing monthly edition. We are going to try to park together as a group. If you want to park together, let them know you are registering with the NWBNs Chapter. Those who I talked with are signing up for 50 amp electricity. Make sure you mark this on your registration form. Contact Dick Wright to let him know if you are planning on parking together at [dick@riousa.com](mailto:dick@riousa.com) or (541)953-4655. Depending on availability, we will try to locate a facility to meet at, prior to the Gillette rally.

Hopefully everyone has been able to receive your Covid shot or shots by now. Barb and I were able to acquire a Pfizer vaccination with no side effects. For those of you that are skeptical to receive the vaccination, here is something to think about; Have faith in the Pfizer vaccine. Don't forget –they make Viagra. If they can raise the dead....they can save the living. Food for thought. This might make your decision easier or harder!

Be sure to bring your masks.

September 16th through the 19<sup>th</sup> in 2021, we will convene on the grounds in Mt. Angel to once again Octoberfest, Oregon style. We are once again looking for rally hosts. Got any ideas?? Contact any of our board members.

Enclosed please find the letter from the FMCA referring to membership dues, a saving we can all benefit from.

Sincerely,

Gary Chatterton  
President
