

NORTHWESTERN BUS NUTS

August 3, 2022

Our club made a good showing at the Northwest Area Rally in North Bend, Coos Bay Casino, "Old Mill". We had a total of 11 coaches attending the rally and we were all ready to start socializing. It has been a long time coming that we were able to gather as a group without the thought of COVID running rampant.

The weather was beautiful, over 90 degrees a few days, sunny, and blue skies. We also had plenty of wind. Actually, it was a blessing in disguise; we would have roasted if it wasn't for the wind.

We had a NWBN rally scheduled in September at Newport Marina and RV Park. 15 spaces reserved and a deposit to hold our spaces. We have had these confirmed for months, however, when our VP South, Al Roeske contacted the park a few days ago, he was told they had a computer problem and our reservation was lost!! Now What? Al's fast thinking, he was able to make arrangements for reservations for the Mt. Angel, Oktoberfest, September 16-19, 2022. Please see the reservation form in this newsletter and follow the requirements SOON!! It's filling up fast. More about rally in the registration form. Spaces are limited.

Silverton, Oregon will greet the NWBN's October 13-16, 2022, form enclosed. Please phone in directly to parks. Everything you need to know is enclosed on the registration forms.

We need some help on rally hosts and ideas. All of us enjoy the "camaraderie" that these rallies make possible. We are not getting any younger. Let's get together while we still can remember the "good old days".

We will conduct a general meeting and a voting on board members. If you are interested in running for a position on the board, please contact one of our board members. This will be held in Silverton, Oregon. Any questions call me (503) 816-5782. Hope to see you at one or both of the rallies. Spaces are limited, so please reply ASAP.

Your President,

Gary
